## 78<sup>th</sup> Annual Report of API

The Governing Body of the Association of Physicians of India has great pleasure in presenting the 78th Annual Report of the Activities of the Association for the year ended 2022.

### **APICON 2022**

API had a very successful 77th Annual Conference at Jaipur

Dr. Shyam Sundar was installed as President of API. He was also the Chairman of the Scientific Committee. Special congratulations to him for a very well planned scientific programme. It was appreciated by all the delegates.

Dr. Rajesh Upadhyay, Dean CME – Indian College of Physicians, This will be held on the first day of the conference i.e. 14th April ,2022. Around 200 lectures, 8 Symposia, CPC, and 6 workshops will be held in 7 lecture halls and 3 workshop halls. A large number of dignitaries, foreign speakers and eminent national faculties will be deliberating on contemporary topics. The program will be for 56 hrs. 196 speakers

Dr. Randeep Guleria, Director AIIMS New Delhi has agreed to be chief guest for the CME Inauguration and Dr.Y. P. Munjal has consented to be guest of Honour.

After Covid 19 Pandemic, this is the first Achievement was to actually execute the conference in Physical mode while there were sustained ambiguities and restrictions, which were overcome by professional paperwork , Planning, risk management and continuous persuasion.

Amongst the First Major Physical Conference nationally post COVID in India.

Inaugurated by Honorable Chief minister Rajasthan Shri Ashok Gehlot and Health Minister of Rajasthan, Sh. Prasadi Lal Meena and Dr Randeep Guleria and Dr Shiv Sareen as Chief guests on day 1 and day 2 in presence of President API Dr Kamlesh Tiwari, President Elect Dr Shyam Sunder, Dean ICP Dr Rjesh Upadhyay, Governing Body members and other dignitaries and stalwarts of API.

Registered by approx. 5000+ Physicians including Accompanying persons.

The Conference was conducted in one of the largest convention centers of the country, major challenge was to create the scientific halls, the temperature in April bit high in Jaipur we manage to Construction of 100% soundproof Fabricated halls inside the dome -Appreciated by HM and CM as well. As the Weather was challenging, it was ensured that entire setup was kept indoors and was centrally air conditioned, replicate the Rich Landscape of Rajasthan in the APICON City . Zero waiting time and pleasant experience was ensured for the delegates in Registration and kit bag distribution.

7 scientific halls were there under the guidance of Dr Shyam Sundar and Dr Rajesh Upadhyay they drafted the Scientific program so well.

## ASSOCIATION OF PHYSICIANS OF INDIA

Over 1000+ Speaker and Chairpersons added value to the scientific deliberations. Conference was fully Protected and insured by the organizer's, Fabricators and Caterers separately for every possible risk even though minute. Professional electrical agency was hired for Auditing the electrical work on site.

A Team of 1200+ from the organizing team and various vendors was tirelessly working on ground towards every detail from entrance, security, registration, scientific, dining and cultural to make APICON 2022 a grand success and finish the conference in 3 1/2 day, not received any complain from the delegates.

### **Editor's Annual Report of Journal of the Association of Physicians of India**

On behalf of all my esteemed colleagues of the Editorial Board, I take great pleasure in presenting to you the annual report of the activities of the Journal of the Association of Physicians of India during the period 1st January to 31st December 2020.

The journal has received 415 articles during the year 2022 (i.e. 1st January 2022 to 31st December 2022). We have published 89 Original Articles, 14 Review Articles, 15 Case Reports, 12 Pictorial CME's, and 51 Correspondences.

From June issue onwards we started a JAPI with new look and new format. We are attempting to address the issue of non-receipt of JAPI, by sending the JAPI by courier to every member and tracking from posting to delivery. We found that addresses of many members are not updated by members, and we are appealing them to update their address and emails through our website. We are also printing the announcement every month regarding our appeal to members to update their correspondence address. We are getting the positive response from members.

As per our Go Green initiative, we have already received the request from 95 members for E copies of JAPI issues and from July onwards and we have already started sending the e-copies to members in 1st week of every month.

The editorial board of JAPI has selected three referees for "Dr.V.R. Joshi JAPI Award for Outstanding Referee" for the year 2022. They are **Dr. T.S. Chandrasekar (Chennai)**, **Dr. Deepak Talwar (Noida)** and **Dr. N.P. Singh (Delhi)**. All the eminently worthy award recipients will be presented the awards at the hands of

President of API during General Body of the 78th Annual Conference of API to be held in Ahmedabad.

The following papers were selected for Drs. JC Patel and BC Mehta Best paper awards for articles published in the Journal for the period from January 2022 through December 2022. ### **Annual Report of the Indian College of Physicians**

The Dean took the office on 15 th April 2022 at Jaipur. As such the tenure is only of nine months. Post-Pandemic effects were seen in all fields.

The Faculty, PG students and others have become familiar with virtual platforms so during 2022 masterclasses and CMEs were conducted virtually. Our council and GB members have successfully conducted PG masterclasses at least twice a month.

As per the intimation received by the office, following academic activities took place in 2022.

Dr K K Pareek and our President Elect conducted several CMEs in Rajasthan. Dr Jyotirmoy Pal, Dean Elect with WB API chapter and ICP Forum conducted peripheral CMEs in Malda, Behrampur and Murshidabad. A free medical camp also was organized for poor people. The Masterclasses conducted by Dr Pal was attended by PGs of neighbouring countries under Joint Academic Forum.

Dr K K Tewary & Dr D P Singh had regular CMEs in Bihar.

## 78<sup>TH</sup> ANNUAL MEETING

Dr R Rajsekar had regular CMEs at least once a month.

Dr Nihar Mehta organized a full day cardiology CME in Mumbai under ICP.

Dr Palaniappen conducted regular Masterclasses twice a month.

Dr Sangram Biradar organized regular CMEs.

The Dean initiated short Certificate courses of Updates in Medicine. These were on line free of cost, which received excellent response. The number of participants were limited to maximum 50, however with demand it had to be increased.

Brief details are given below.

• Thyroid Dysfunction	Dr Minal Mohit	58
• D Foot	Dr Vijay Vishwanath	29
• Male Hypogonadism	Dr Prakash Keswani	26
• Ac Fever Syndromes	Dr Anupam Prakash	68

With continued requests for these short cert. courses, following new courses were conducted in Oct-Dec 2022.

• TIDM	Dr Banshi Saboo	Two Days Workshop
• Endocrine Pearls	Dr. Minal Mohit, Dr. Prakash Keswani	50
• Acute Fever Syndrome	Dr. Anupam Prakash	55
• Acid Base Balance	Dr. Anupam Prakash	51
• Neurology OPD	Prof SV Khadilkar	40
• Digital Medicine	Dr. SV Kulkarni	419
• Dos & Don'ts of Scientific publication (Annexures 1,2)	Prof Nandini Chatterjee	146

During APICON 23, 5 workshops are organized during CME programme.

Rajasthan, West Bengal have ICP Forums along with API. ICP has at least two hours scientific activities during State Conf of API

It is a good idea which other state chapters also should start.

With initiative of Dr Jyotirmoy Pal, a joint academic forum has been established with neighbouring countries namely Bangla Desh, Nepal, Sri Lanka, Bhutan and Maldives.

ICP is releasing Five monographs on the latest subjects keeping in tune with the theme of the conference---

Evolutions and Revolutions in Medicine !

# ASSOCIATION OF PHYSICIANS OF INDIA

I take this opportunity to thank all the Editors, Course Directors, Faculty members and all senior mentors !

Thank you all API members for support and trust in Me!

## **Annual Report of Director Physicians Research Foundation (PRF)**

My sincere thanks to my mentor Dr Y P Munjal and to the President of API Dr Shyam Sundar for the unconditional support they have extended to the PRF throughout the year due to which we have been able to continue the good work done by my predecessors Dr Siddharth Shah and Dr Y P Munjal. Some of the ongoing activities of PRF have been as follows. I will like to place on record the able help provided to me by Dr Rajinder Bansal, Joint Secretary PRF and all the honourable members of the physician research foundation. They have actively guided and participated in all the activities innumerable below.

1. The **API PRF journal club** has become popular across the country. We have had sessions by PGI Chandigarh, DMC Ludhiana, KPC Medical College, Kolkata, Stanley medical college, Chennai, SMS Jaipur, PGIMS Rohtak, Lady Hardinge Medical College, Delhi and AIIMS New Delhi. I request you all to please tell me who all will like to be a mentor and which institution wants to do the next presentation. All presentations and articles that have been discussed till now are available on the website as a repository.
2. The **STEMI Management Centre Course** was done in the months of July to September 2022. 600 doctors from across the country participated in the course. This was done in association with Emcure. They have given 15 lakh rupees to PRF for this course. This money will be used for clinical trials and given to postgraduate students as per the protocols laid in the PRF meeting.
3. Dr Muruganathan had given 35 lacs for an award to be given in his father's name '**Arumugam Research Award**' for research in rural area. We will start giving the award of 70,000 (the interest on the parent amount) from this year. The award committee will include all the members of the PRF. The award will be given for a research project of excellence in rural area.
4. **Retrospective National Mucormycosis Registry** is ongoing and we have collected data from 5 medical institutions. This will be the first Cohort study under the aegis of API. I ardently request all the members of the governing body and faculty council to recruit as many centres as possible from across the country so that we have maximum number of cases in this study. We will have a few publications from the data. All those who contribute cases will be made

authors for the publications. This will be possible only with the support of all of you. This is the beginning and will be followed by other multi centric studies.

5. We have a wish to form the **API PRF Ethics Committee**. The legal and logistic issues in its formation are being given consideration. Hopefully we will share the progress that we make in this direction, if we do so, by the next meeting.

Any other suggestions by the Honourable members of the API and ICP are welcome. Thanking you.

**Dr. Gurpreet Singh Wander**

Director, PRF

**Annual Report of the API House**

After last Governing Body meeting a visit to API House was made.

Dr. Agam Vora, Hon. Gen. Secretary, Dr. Mangesh Tiwaskar, Member and myself visited API House on 20th November, 2022.

Following work needs to be done at the earliest.

- A. Putting a tin/plastic shade over entire building including the part which is not leaking at present.
- B. Repairing the entire terrace roof of the first floor.
- C. Doing internal repairs on 1st floor including false ceiling, electrical wiring etc.
- D. Option of expansion of API House can be considered

Quotations for the above work will be advertised as per SOPs.

We plan to visit API House again with architect and contractor in 1st week of January 2023.

I will appraise Governing Body about this visit during the meeting.

**INDEPENDENT AUDITOR'S REPORT**

To,

The Trustees of

THE ASSOCIATION OF PHYSICIANS OF INDIA

**Opinion**

We have audited the financial statements of **THE ASSOCIATION OF PHYSICIANS OF INDIA**, (herein after referred as "the Society") which comprise the Statement of Assets and Liabilities as at 31st March, 2022, and the Income and Expenditure Account for the year then ended, and a summary of significant accounting policies and notes to financial statements.

In our opinion and to the best of our information and according to the explanations given to us, the financial statements read with significant accounting policies and notes give the information required by the Bombay Public Trust Act, 1950 (herein after referred as the Act) in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

- a) In case of Statement of Affairs, of the state of affairs of the Society as at 31<sup>st</sup> March, 2022; and
- b) In case of Income and Expenditure Account, of the deficit for the year ended on that date.

**Basis for Opinion**

We conducted our audit in accordance with Standards on Auditing (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the entity in accordance with the ethical requirements that are relevant to our audit of the financial statements, and we have fulfilled our other responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Responsibilities of Management and Those Charged with Governance for the Financial Statements**

Management is responsible for the preparation of the financial statements in accordance with (a) the applicable accounting standards issued by the Institute of Chartered Accountants of India (ICAI) (b) Societies Registration Act, 1960 and (c) provision of the Act and Rules (thereof) for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error. In preparing the financial statements, management is responsible for assessing the entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so. Those charged with governance are responsible for overseeing the entity's financial reporting process.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not

**N. A. SHAH ASSOCIATES LLP**  
Chartered Accountants

detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Trust's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Trust to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence.

#### Report on Other Legal and Regulatory Requirements

- a) As required under sub-section (2) of section 33 and 34 and Rule 19 of the Bombay Public Trust Act, 1950, Annexure I is appended herewith. And clause (i) of Annexure I complies with requirement of section 12E of the Societies Registration Act, 1960.
- b) As per The Bombay Public Trusts (Second Amendment) Rules, 2019, an additional reporting to the above section is introduced. Annexure II is appended herewith.
