JAPI REPORT

EDITOR'S ANNUAL REPORT OF JOURNAL OF THE ASSOCIATION OF PHYSICIANS OF INDIA

On behalf of all my esteemed colleagues of the Editorial Board, I take great pleasure in presenting to you the annual report of the activities of the Journal of the Association of Physicians of India during the period 1st January to 31st December 2017.

The Journal has received 470 articles during the year 2017 (till 20th December, 2017). We have published 84 Original Articles, 17 Review Articles, 59 Case Reports, 20 Pictorial CME's, and 28 Correspondences. As you are aware that since June 2017 we have stopped taking case reports in view of tremendous backlog. As of 20th December 2017 we have 253 Original Article, 59 Review Articles, 317 Case Report, 37 Correspondence pending for publication / review.

JAPI published supplement on “Management of Hypertension in Chronic Kidney Disease: Consensus Statement by an Expert Panel of Indian Nephrologist”, “National Insulin Summit” and “ZRC-3197 World’s First Biosimilar of Adalimumab-Made in India for the World” along with the February, March and May 2017 issues of JAPI.

We just finished a series on “Statistics in Medicine”. This series had 15 articles, last being published in October 2017 issue of JAPI. In next 2-3 months we are starting a new series on ‘Ethics in Research’.

The editorial board of JAPI has selected three referees for “Dr.V.R.Joshi JAPI Award for Outstanding Referee” for the year 2015. They are **Dr.T.K. During the financial year 2017-18 a total of 3 meeting were held by Board of Directors of PRF at the following location: Two meeting at Powai, Mumbai, during APICON 2017 and one held at Hotel Shangri La, Bengaluru, Karnataka on 9th September 2017.

During the PRF meeting held in Poway, Mumbai during APICON 2017, our Director, Dr.YP Munjal welcomed the newly elected PRF members: Dr. Shyam Sundar and Dr. JK Mitra with a memento. Dr.YP Munjal also announced and released the two newly launched publication of PRF to the PRF board members. The First publication was a monograph on **“Pearls of Scientific Paper Writing”** a multi-authored book edited by Dr.YP Munjal, Dr.Anupam Prakash and Dr. Ghanshyam Pangtey. The second publication was of Guidelines on extra-pulmonary tuberculosis for India **“INDEX-TB GUIDELINES”** by Dr. SK Sharma, New Delhi. All the members applauded the PRF effort and congratulated the Director PRF and the editorial board team for the successful launch.

The 3rd PRF Board of Directors meeting of 2017 was held at Hotel Shangri La, Bengaluru, Karnataka on 9th September 2017 at 20:00 to 20:30 Hrs. During

the meeting various monetary contributions made by various API bodies and in individual capacity were acknowledged by the PRF Board. The various contributions made were by the following API members:

- The PRF executive members Dr. Sumatra Ghosh and Dr. AK Mukherjee and API member Dr. Jyotirmay Pal donated Rs. 1 lac to PRF from their API Kolkata chapter conference and PRF workshop 2016.
- Dr. Shekhar Chakraborty and Siliguri API Chapter contributed Rs. 1 Lac to the PRF fund.
- Dr. Jayant Panda, Organising Secretary, RSSDI Bhubaneswar 2017 and API Odissa chapter contributed Rs. 1 Lac to the PRF Fund.
- Dr. J Mitra, PRF executive member and Jhararkhand API also contributed Rs. 35,000 to the PRF fund.
- Dr. A Muruganathan donated Rs. 30 lac to PRF fund from 1st day of APICON 2017 CME fund. He also requested the PRF governing body to consider his request for giving annual Research Grant for Cardiac Research in the name of his late father Thiru CS Arumugam. The governing body accepted the grant and also thanked Dr. A Muruganathan for the kind gesture. It was decided that the naming of the cardiac research fund on his father name would be decided once the fund is received.

The PRF governing body passed vote of thanks to all the above API members for **various financial contribution** made to PRF Fund from their local funds and individual capacity.

During the meeting API President Elect Dr. Pritam Gupta announced the results of recently held API-ICP-PRF Election results: Dr. Siddharth N. Shah was selected unopposed as next PRF Director from year 2019-21. Dr. AK Mukherjee, was re-elected while Dr. MM Mehndiratta won the executive member election, held for two executive members seats.

3. PHYSICIANS RESEARCH FOUNDATIONS: ACTIVITIES

a. Physicians Research Foundation Research Grant

The Physicians Research Foundation (PRF) invited applications from the API members who are interested in conducting research studies in the area of Medicine and its Subspecialties. The grants were widely advertised to all members by regular advertisements in the JAPI Journals, PRF website (www.apiicpprf.in) as well during the governing body/ annual API meetings.

The received Research projects were evaluated by expert panel of PRF/API and also discussed in Board of Directors meeting and the final decision was made after thorough analysis.

The two-thesis grants, from SMS Jaipur and RG Kar Medical College and Hospital were selected during the 2016 PRF meetings. They were given first

installment of their grant after receiving the undertaking and acceptance letter.

Many **Research projects** were received for PRF Grant since last meeting in 2017. The single center study by Dr. NP Singh (Delhi) on *Chronic Kidney Disease and Associated Risk Factors among Auto-Rickshaw Drivers from Delhi NCR of India* and another study by Dr. Vishal Sharma (PGIMER, Chandigarh) on *Utility of serial measurements of faecal calprotectin in assessing response to therapy in patients with probable intestinal tuberculosis* was accepted for PRF Research Grant. The other Thesis and single centre research grant are under scrutiny and under review by experts. The final decision about grant release will be made shortly after receiving comments from experts.

b. PRF Website

The PRF Website www.apiicpprf.in was launched during 2nd PRF Board of Directors meeting in Chandigarh on 10th April 2016. The website is active since then with more than 1000 hits since its inception. The website has been updated periodically and all the Recent News on PRF Research Grants, PRF Workshop on Research and publication writing as well as Thesis repository are continuously upgraded.

The Thesis repository with thesis candidate, Supervisor and Co-supervisors has been put up in PDF formats and all API Members and PRF members has been requested to put up their students thesis on website to improve their research visibility. The Thesis/ dissertations names will be registered under Google scholar and index Copernicus and very soon these Thesis and their writer can get recognition from the Google scholar as well as index Copernicus site.

c. Physicians Research and Publication Workshops

PRF organized two highly successful and well-appreciated research workshops in year 2016 and continued to disseminate the research by organizing another similar workshop in south India, Hyderabad.

PRF successfully organized its 3rd **Research and Publication workshop** in collaboration with API Hyderabad chapter from 26th-27th August 2017 at Hyderabad, Andhra Pradesh. Dr. Rakesh Sahay, Dr. Udai Lal and Dr. Narsimulu were instrumental in providing the local support. Dr. Anupam Prakash, Dr. GS Pangtey and Dr. Ashish Goel from Delhi participated as Faculty. The workshop was well appreciated by all the participating delegates similar to previous editions. The workshop participants were given study material and also participated in one to one interactive webcast with faculty of world-renowned *John Hopkins school of public Health, Baltimore, United States of America*.

d. **MMM study participation**

PRF along with API and ICMR actively participated in **May Measurement Month (MMM) study**. PRF contributed in screening > 12000 hypertensive patients. Dr. K Tewary, Dr. GS Wander, Dr. YP Munjal, Dr. BB Thakur, Dr. JK Mitra, Dr. CL Naval, Dr. Jai Bhagwan, Dr. GS Pangtey, etc. did the major contribution. The participation certificate will be issued by ICMR to all participants.

e. **HSICON Best Free Paper Award:**

This year in 2017 **PRF funded Best Free Paper award** of Rs. 10,000 in recently held HSICON 2017, at Kolkata. In PRF board meeting it was decided that it should be made an annual Award funded by PRF to promote research among young scientist.

4. **FORTHCOMING PRF Activities in 2018**

1. *PRF Monograph on “Handbook of Research Methodology”*: After the highly acclaimed launch of book “Handbook of paper writing” during last year Mumbai, APICON 2017. The PRF is planning to release another monograph “Handbook of Research Methodology” during Bengaluru, APICON 2018.
2. *PRF Best Abstract Award during APICON 2018, Bengaluru*: PRF has selected 3 Best Abstract from the various abstract submitted for APICON 2018. The Award will be given after oral presentation of the abstract during the APICON Conference.
3. *Health assessment Study*: PRF is in planning to start a study on the quality of life and health assessment of doctors in India. The study is in final stages of its draft.
4. *PRF Research and Publication Workshop*: The next Research workshop is planned in Delhi in January 3rd-4th Week of 2018 in UCMS/LHMC Delhi.

Report of the API Textbook of Medicine, 11th Edition

The API Textbook is shaping well and is geared up for release this year. The Editorial Board is working hard to ensure that the book is well-received. Our dream is to make the book as the “first choice” textbook for medical students of our country. We have targeted the UG students, but the PG students will also find the book useful.

I require the good wishes and blessings of the API for the success of the book. I have received a lot of support from The Editorial Board and sound advice from Dr. Siddharth Shah.

Thank you one and all.

STATEMENT - XVI

Significant accounting policies and Notes to accounts:

I Significant accounting policies

i. Basis of preparation of financial statements

The balance sheet and income and expenditure accounts are prepared under the historical cost convention and on the accrual basis of accounting, except as otherwise stated. In the absence of any authoritatively established accounting principles for the specialised aspects related to charitable trusts, which do not carry out any commercial activity, these statements have been prepared in accordance with the significant accounting policies as described below.

ii. Use of estimates

The preparation of the financial statements in conformity with the significant accounting policies requires that the Trustees of the Trust ('Trustees') make estimates and assumptions that affect the reported amounts of income and expenditure for the year and reported balances of assets and liabilities. Actual results could differ from those estimates. Any revision to accounting estimates is recognised prospectively in current and future periods. All amounts are stated in Indian rupees, except as otherwise stated.

iii. Fixed assets & Depreciation

Fixed assets are stated at cost of acquisition, including any attributable cost for bringing the asset to its working condition for its intended use, less accumulated depreciation & Ammortisation. Cost includes taxes, duties, insurance and other incidental expenses for bringing the asset to its present location and working condition for its intended use

Depreciation is charged on Fixed Assets on Written Down Value basis at the rates specified by the The Income Tax Act, 1961.

iv. Income tax

The Trust is registered under Section 12A of the Income tax Act, 1961 ('the Act'). Under the provisions of the Act, the income of the Trust is exempted from tax, subject to the compliance of specific terms and conditions specified in the Act.

v. Provision and contingencies

Provisions are recognised only when there is a present obligation as a result of past events and when a reliable estimate of the amount of obligation can be made. Contingent liability is disclosed for (i) possible obligation which will be confirmed only by future events not wholly within the control of the Trust or (ii) present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made. Contingent assets are not recognised in the financial statements.

vi. Revenue Recognition

Donation received in cash or in kind is recognised as income when the donation is received. Donations made with a specific direction that they shall form part of the corpus of the Trust are classified as corpus donations, and are directly reflected as trust fund receipts in the balance sheet. Interest on deployment of funds is recognised using the time-proportion method, based on underlying interest rates.

Other revenue is recognized on Mercantile basis except for APICON contribution, contributions for the objects of the trust (other than members) and Contribution received from ICP Dean which are accounted for on cash basis.

vii. Retirement Benefits

Retirement benefits paid to the employees are accounted on payment basis.

viii. Accounting for Investment:

Deposits with banks are shown under Balance with bank and Deposit with others are shown under the head "Investments". All the investments are valued at cost.

ix. Amount spent from individual earmarked fund in excess of relevant fund income is charged off to Income & expenditure A/c.

2 Notes to Accounts

- i. Income Tax refund for prior years is yet not made by the department, The Board of Trustees has decided to take necessary action to claim the refund dues on this accounts & hence TDS deducted is considered recoverable. Further, the department has raised demand of Rs.43,46,861/- for A.Y. 2011-12, Rs. 4,32,560/- for A.Y. 2012-13 and Rs. 4517210/- for A Y 2013-14 & Rs. 9897100/- A Y 2014-15 However, the Trust believes that the same is not payable and accordingly no provision is done in the books and has filed an appeal against the same.

THE ASSOCIATION OF PHYSICIANS OF INDIA

- ii. Balances of debtors, creditors, deposits with banks and loans & advances are subject to confirmations, reconciliation and subsequent adjustment or reconciliations, if any.
 - iii. Provision for contribution to charity commissioner is not provided for by the trust as the trust is exclusively involved in advancement of secular education as per Section 58. Further, As per the Bombay High Court Order passed on 25th September, 2009, the Charity Commissioner's office has been restrained from collecting administrative funds from charitable trusts across Maharashtra The Bombay Public Trust Act, 1950. Accordingly, the trust has not provided / paid the said contribution to the office of charity commissioner.
3. Due to unavailability of records, the Income and Expenditure Account and Balance Sheet do not incorporate transactions undertaken during the year 2016-2017 by the Delhi Branch of the Trust. The Trustees have made repeated attempts to obtain such details but to no results. Hence, to save on the other compliances the financial statements have been prepared without incorporating the details of the Delhi Branch.
- The Balances of the Delhi branch as on 31st March, 2016 for all the assets and liabilities stands the same as on March 31, 2017. However, in the opinion of the Trustees, such exclusion would not have any material impact on the Financial Statement.
