Disclaimer: This Webinar is organized for facilitating knowledge sharing within the medical fraternity. The Webinar content is shared for information purposes only and reflects the views of the speakers and scientific references as cited. It is not intended to represent Abbott's viewpoint on the matter or to promote Abbott's products. The Webinar is fundamentally focused on education, scientific exchange and sharing of speakers' own experiences and practices for academic discussion purposes only. Nothing in this Webinar should be construed as Abbott giving medical advice or making a recommendation, endorsement or sponsorship of any kind. Nor does it seek to replace medical opinion or independent professional judgment to be exercised by participants in their clinical practice. While every effort is made to ensure the accuracy of the Webinar information, Abbott is not responsible for any error, omission or consequence arising from the use of this information. If there is a reference to any products in the Webinar please refer to full prescribing information for complete details of such products.
